About All About Cats Rescue

In December 2010 All About Cats, a no kill, cage free, rescue organization, was founded in response to the homeless cat and kitten population on Long Island. Our mission is to improve the welfare of stray and abandoned cats and kittens as well as rescuing cats and kittens from known kill-shelters. Through rigorous dedication they find suitable forever homes for the cats and kittens in their care. We strive to educate the public on responsible pet ownership, and provide support to spray and neuter efforts to reduce the stray cat population.

About the Petco Foundation

At the Petco Foundation, we believe that every animal deserves to live its best life. Since 1999, we've invested more than \$135 million in lifesaving animal welfare work to make that happen. Working with thousands of animal welfare partners, we inspire and empower communities to make a difference by investing in adoption and medical care programs, spay and neuter services, pet cancer research, service and therapy animals, and numerous other lifesaving initiatives. Through our Think Adoption First® program, we partner with Petco stores and animal welfare organizations across the country to increase adoptions. So far, we've helped more than 4.2 million pets find their new loving families, and we're just getting started. Visit petcofoundation.org to learn more about how you can get involved.
